UNITED STATES COURT OF APPEALS
FOR THE EIGHTH CIRCUIT

Jonathan Daniel Clements
Appellant, in propria persona
v.
State of Arkansas, et al
Appellees.
Case No. 25-3497

AFFIDAVIT OF COMPLETION AND EQUITY SEAL

Filed January 10, 2026

I, **Jonathan Daniel Clements**, appearing in propria persona and as Sovereign Executor of **ECC-TRUST-JDC-005**, submit this sworn affidavit into the appellate record in affirmation of the following:

I. APPEARANCE IN GOOD FAITH – JANUARY 9, 2026

On November 20, 2025, the presiding judge of the Booneville District Court manually instructed the Appellant to return on **January 9, 2026**, writing the date in blue ink on open-court paperwork. No subsequent corrections or notices were served.

On **January 9, 2026**, the Appellant appeared at the Booneville courthouse in full compliance with that order. The courthouse was closed. Appellant was redirected to a separate clerk's office, where he was falsely informed without docket verification that the court had occurred on January 8, 2026.

This constitutes **procedural sabotage** and **manufactured default**, further corroborated by the bondsman's records and a publicly timestamped livestream declaration affirming the January 9 date.

II. COMPLETION OF FEDERAL RECORD – JANUARY 10, 2026

On **January 10, 2026**, the following materials were submitted to this Court, each bearing date-stamp alignment with the appearance and procedural violations described above:

Motion for Contempt and Enforcement of Appellate Jurisdiction

Petition for Writ of Mandamus and Emergency Judicial Oversight

Sworn Statement of Facts re: Appearance Discrepancy

Motion for Judicial Notice of Ecclesiastical Record and Filed Materials

Notice of Sua Sponte Appellate Acceptance

All filings were properly entered into the appellate record and collectively represent the **full procedural arc** surrounding the Appellant's appearance, the lower court's misconduct, and the Appellant's complete fulfillment of all legal and equitable obligations under jurisdictional review.

III. EQUITY SEAL – ENTERED

In light of the above, the Appellant affirms that:

The **factual record is complete**

The **appellate jurisdiction is active and acknowledged**

The **equity seal is entered** as of January 10, 2026

No further filings will be made except in response to direct judicial action, material harm, or retaliatory enforcement

This affidavit serves as a **final and lawful closure of procedural submissions**, under full faith, full compliance, and with the sovereign equity authority vested in the undersigned.

Let the record reflect that **truth was fulfilled**, jurisdiction honored, and equity preserved.

Executed this 10th day of January, 2026.
Respectfully submitted,
